- inclusiveness, particularly with reference to the enrolment of children with a disability or other special educational need;
- equality of access and participation in the school;
- parental choice in relation to enrolment; and

SECTION 2: ADMISSION PROCEDURES

Application Procedure

The school has a specific initial enrolment application form (Appendix 1).

Application forms and copies of the Admissions Policy are available from the school office or HSCL coordinator throughout the school year.

The registration process is initiated on receipt by the school of a completed application form. This form must be signed and dated by one or both parents or guardians. The form will be date stamped on receipt by the school. Telephone calls or personal school visits concerning enrolment will be facilitated, but are not in themselves enrolment applications.

The closing date for receipt of applications for the new school year will be communicated annually to the school community. Communication methods may include parish newsletter, school newsletter, school text / email, notices etc.

Entry in the School Record of Applications means that an application will be considered in March of the relevant enrolment year, and will be evaluated on the basis of the criteria outlined in this policy. Following this evaluation, the Principal will make a recommendation to the Board, listing proposed enrolments for the forthcoming year. Once an enrolment list is approved by the Board, all applicants will be notified in writing of the outcome, and if refused admission will be notified of their entitlement to appeal under Section 29 of the Education Act 1998.

Provision of Key Information by Parents/Guardians

The school has a specific enrolment application form (Appendix 1). A copy of this form may be obtained by contacting the school via phone/email/messenger or by contacting the HSCL.

A registration form (Appendix 2) also forms part of the enrolment procedure. This form will accompany the letter of offer that will be sent to parents/guardians of successful applicants. The completed registration form must be returned to the school within the timeline specified in the letter of offer. Failure to do so will be interpreted as a refusal of the offer to enroll.

The address at which the applicant resides will be the address used by the school for correspondence regarding enrolment.

The completion of an enrolment application form or the placement of your child's/ward's name on a list, however early, does not confer an automatic right to a place in the school.

Decision Making

Decisions in relation to applications for enrolment are made by the Board of Management in accordance with school policy. The Board will notify parents of their decision within 21 days of the closing date for the receipt of applications.

The Board will have regard for relevant Department of Education and Skills guidelines in relation to class size and staffing provisions and/or any other relevant requirements concerning accommodation, including physical space and the health and welfare of children.

The Board is bound by the Department of Education and Skills *Rules for National Schools* which provides that pupils may only be enrolled from the age of 4 years and upwards, though compulsory attendance does not apply until the age of 6 years. Children applying to enroll in Thomond Primary School must have reached the age of 4 years by August 31st of the year they will commence school.

In the event that applications for enrolment exceed/is expected to exceed the number of places available the following decision making process will apply.

- Priority is given to brothers and sisters of children already in the school or who have attended the school in the past. If the class is oversubscribed on the basis of this criterion, then places will be allocated on the basis of age, starting with the oldest applicant, until all places are allocated.
- Families whose primary residence is either
 - (a) in the immediate areas of St. Munchin's Parish, starting closest to the school and radiating outwards from the school within the Parish or
 - (b) in St. Munchin's Parish within a 2 mile distance by road from the school. If the class is oversubscribed within the application of this particular criterion, then the furthest from the school under either (a) or (b) will be eliminated first.

- Children of parents who are past pupils of the school. If the class is oversubscribed within the application of this particular criterion, then those whose primary residence is furthest from the school will be eliminated first.
- If space is still available, class numbers are completed from the Waiting List, which is compiled and ordered according to the date of the original application. The criteria are listed in order of priority when spaces are allocated under criterion 1 and space is still available, then criterion 2 comes into play and so on. This prioritization proceeds until all places have been allocated.

The Board of Management reserves the right to determine the maximum number of children in each separate classroom bearing in mind Department and Education Guidelines in relation to class size and staffing provisions. Other factors that may be considered are:

- Size and available space in classrooms.
- Educational needs of children of a particular age.
- Multi-grade classes.
- Presence of children with special educational/behavioural needs.
- Health and Safety.

Admission Day/Date

Junior Infants, with the exception of students transferring from another school, may only be admitted to the school prior to September 30th. Pupils must have reached the age of 4 years before the 31st of August.

Enrolment of Children with Special Needs

On enrolment of children with special needs the Board of Management will request a copy of the child's medical and/or psychological report or where such a report is not available, will request that the child be assessed immediately. The purpose of the assessment report is to assist the school in establishing the educational and training needs of the child relevant to his/her disability or special needs and to profile the support services required.

Following receipt of the report, the Board will assess how the school can meet the needs specified in the report. Where the Board deems that further resources are required, it will request the Special Education Needs Organiser (NCSE see Circular 01/05) to provide the resources required to meet the needs of the child as outlined in the psychological and/or medical report. These resources may include for example, access to or the provision of any or a combination of the following: visiting teacher

service, resource teacher for special needs, special needs assistant, specialised equipment or furniture, transport services or other.

The school will meet with the parents/guardians of the child and with the SENO to discuss the child's needs and the school's suitability or capability in meeting those needs. Where necessary, a full case conference involving all parties will be held, which may include parents, principal, class teacher, learning support teacher, special class teacher, resource teacher for special needs, Special Educational Needs Organiser or psychologist, as appropriate.

It may, in certain circumstances, be necessary for the Board of Management to defer admission of a child pending the completion of an assessment report and/or provision of the necessary resources by the Department of Education and Skills.

Pupils Transferring

Applications for enrolment during the school year will be considered subject to school policy, available space and the provision of information concerning attendance and the child's educational progress. Such applications will be dealt with on a case-by-case basis but will normally only be considered for admission on the first day of each new term unless the applicant is newly resident in the area.

Code of Behaviour

All offers of enrolment are subject to acceptance of the School's Code of Behaviour, a copy of which is appended to this policy.

SECTION 3: APPEALS

The Board of Management of Thomond Primary School in compliance with section 19(3) of the Educational Welfare Act 2000 will make a decision in writing in respect of an application for enrolment within 21 days of the closing date for the receipt of enrolment applications and will inform the parents/guardians in writing of that decision.

Parents/guardians will be informed of their entitlement to appeal a decision of the Board of Management in relation to a refusal to enrol in the letter issued 21 days after the closing date for the receipt of applications. (Please note the address at which the applicant resides will be the address used by the school for correspondence regarding enrolment).

If the Board of Management refuses to enrol a student in the school, the parent/guardian of the student may appeal the decision at local level. The appeal must be submitted within 10 days of the date of the refusal to enrol. It must be made in writing, addressed to the Chairperson of the Board, and clearly state the grounds for the appeal. The Board of Management will respond within 10 days of the receipt of such an appeal.

If following the conclusion of the appeal procedures at school level, a parent/guardian is dissatisfied with the decision made that parent/guardian has a statutory entitlement under section 29 of the Education Act (as amended by Section 4 of the Education (Miscellaneous Provisions) Act 2007, to appeal that decision to the Secretary General of the Department of Education and Skills. It should be noted that such an appeal must be lodged within 42 days of the schools refusal to enrol.

Details on appealing decisions on enrolment under section 29 of the Education Act (as amended by Section 4 of the Education (Miscellaneous Provisions) Act, 2007), are available on the Department of Education and Skills website at www.education.ie

SECTION 4: EXCEPTIONAL CASES

The Board of Management of Thomond Primary School reserves the right to refuse enrolment or, to rescind an offer of enrolment to any child, in exceptional cases. Such an exceptional case could arise where either:

1. The child has special needs such that, even with additional resources available from the Department of Education and Skills, the school cannot meet such needs and/or provide the student with an appropriate education, or
2. In the opinion of the Board of Management, the student poses an unacceptable risk to other students, to school staff or to school property.
