This class is for children:

- who have a recognised ASD diagnosis
- who have been recommended for placement in an ASD Class in a mainstream Primary School
- who have the potential to integrate into a mainstream, age-appropriate class.
- The maximum class size is 6 pupils.

Our ASD class offers an autism specific learning environment within a mainstream co-educational primary school. This setting facilitates optimum inclusion in mainstream education as part of the school community, as appropriate, while having due regard for levels of general learning disability, resources, and each child's current suitability for such inclusion.

We wish to provide a broad curriculum which focuses on the abilities and strengths of each child while supporting his/her areas of need. We will strive to enhance the communicative and social skills of the children in the ASD class.

This recommendation must be within two years of date of application.
